Thanks everyone! With Ryan and Jason's 'yes' votes, we have met the majority requirement. Our inserts will go in Friday's distribution, I'm working on a very simple black and white flyer so we'll be much closer to the \$100 mark.

Realized I made the motion but didn't vote yet. I'm a yes.

Board Members:

I'm writing for consideration of a spending request:

Two to three times a year, the Chamber sends a packet of information on Minot and local businesses out to the base for new families and servicemen and women that are relocating to Minot. One of those days is this Friday so the turnaround is short, thus the need for action via email.

If approved, I would put together a 1-page flyer that we would have printed at Niess impressions. I'm leaning toward black and white as this will be quickly designed and turned around, but for purposes of comparison I have included pricing for both color and black and white

500 Copies
Black & White | ~\$105

Color | ~\$230

So, I would request a motion, second, and a vote to approve up to \$230 for printing for MAFB/Chamber inserts if the Board were so inclined.

And again, I'm leaning toward black and white this time around so I expect it will be closer to \$100...
